Administrators' Message

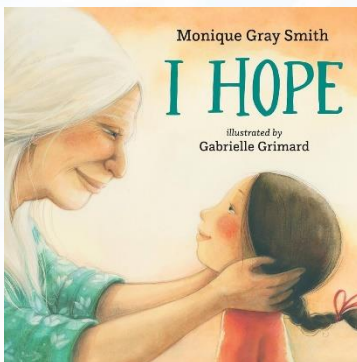

Welcome to the 2024-2025 school year!

To all our returning students, we are excited to see you again and hope you had a restful and fun-filled summer. To all the students and their families who are new to our school community, we extend our warmest welcome and hope you will feel at home here at École Monsignor William Irwin School.

May the God of Hope fill you with joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit.

- Romans 15:13 -

This year's Division theme – People of Hope - encourages us to embrace optimism and faith as we journey together through the year, nurturing our students' minds and spirits with the values of hope, faith, and love.

This year we will be exploring the book *I HOPE* by Monique Smith. The book highlights the exploration of the power of hope and positivity. Through its simple yet profound narrative, it emphasizes the importance of holding onto hope even in difficult times. It serves as a reminder that hope can be a guiding light, offering strength and comfort when facing challenges. The book encourages readers to nurture hope within themselves and to share it with others, fostering a sense of optimism and resilience in the face of adversity. Through our communication and collaboration, we will make great things happen this year!

On behalf of the entire staff, we are excited to welcome everyone to what promises to be a fantastic year of learning through Hope, Faith, and Love.
