## Administrators' Message

### Welcome to the 2025-2026 school year!

To all our returning students, we are thrilled to welcome you back and hope your summer was filled with relaxation and adventure. To the students and families who are joining our school community for the first time, we offer a warm welcome and look forward to helping you feel at home here at École Monsignor William Irwin School.

This year's Division theme, *People of Hope*, invites us to walk together with optimism and faith, nurturing our students' minds and spirits with the values of hope, faith, and love.

Our guiding Scripture for 2025–2026 is:

**“Rejoice in hope, be patient in suffering, persevere in prayer.” — Romans 12:12.**

At Monsignor William Irwin, we will live out this verse by celebrating the joy that comes from believing in God's promises and sharing that hope with one another. When challenges arise, we will show patience and resilience, supporting each other with kindness and understanding. And through it all, we will persevere in prayer, turning to God for strength and guidance in both our learning and our daily lives. As *Superheroes of Hope*, we will continue to lift each other up with joy, patience, and prayer, creating a community where faith and love shine brightly.

On behalf of our entire staff, we are excited to welcome everyone to what promises to be a fantastic year of learning through Hope, Faith, and Love.
